

Monday, May 01, 2006

7:00 - 8:00	Registration and Continental Breakfast				
8:00 - 8:15	Opening Remarks by Conference Chair <i>Dr. Magdy Hanna, International Institute for Software Testing</i>				
8:15 - 9:15	Keynote: Patrick Townsend, Chief Quality Officer, UICI <u>Leadership, Quality and Democracy?</u>				
	Advanced Topics	Test Process	Project Management	Customer Requirements	Test Automation
9:30 - 10:30		<i>Tracking Bugs Requires Process</i> <i>Jolene Nerdahl</i> <i>Test Manager and Senior Methods & Tools Practitioner</i> <i>BlueCross BlueShield of MN</i>	Software Quality Composite Metric <i>Evelyn F. Moritz</i> <i>Consulting Member of Technical Staff</i> <i>AVAYA</i>	Unleash the User – The power of Usability Testing <i>Slobodan Dumuzliski</i> <i>Software Test Engineering Manager</i> <i>Boston Scientific</i>	Defining Test Data and Data-Centric Application Testing <i>Chris Hetzler</i> <i>Software Development Engineer in Test</i> <i>Microsoft</i>
10:45 - 11:45	High Level Petri Net approach to Model Based Testing <i>Marco Piumatti</i> <i>Software Development Lead</i>	Choosing the Right Test Strategy for Effective Testing <i>Subbarao Jagannatha</i> <i>Principal Quality Assurance Engineer</i> <i>Openwave Systems</i>	Quality Project Management <i>Angela Carraway</i> <i>Director of QA/PMO</i> <i>Advance Auto Parts</i>	FEATURE Avoid Creep-Discover the REAL Requirements <i>Robin Goldsmith J.D.</i> <i>Go Pro Management, Inc.</i>	Metrics For Automation <i>Richard L. Wagner</i> <i>Manager, Software Test Automation</i> <i>Catalina Marketing Corp.</i>
11:45 - 12:30	Visit Exhibit/Vendor Presentations				
12:30 - 1:30	Lunch/Discussion Groups				
1:30 - 2:30	<i>Through The Glass Box - A Tester's Guide To Static Analysis</i> <i>Andy Roth</i> <i>Software Quality Engineer</i> <i>IBM</i>	Ever-changing Test Process: Case Study of a Large Scale Application Testing <i>Alexei Saveliev</i> <i>Senior Software Test Engineer, Test and Integration Department, Comcast Media Centers</i>	Saving a Runaway Project: a Case Study for Project Turnaround <i>Yury Makedonov, Ph.D</i> <i>Senior Technical Consultant</i> <i>CGI</i>	Introduction to Requirements Management <i>Barry Schrimsher</i> <i>Principal,</i> <i>GlenTalon Consulting, Inc.</i>	FEATURE Testing in .NET: What You Need to Know about Integrating Testing & Development <i>Mary Romero Sweeney</i> <i>Independent Consultant</i>
2:45 - 3:45	FEATURE The Role of Test Professionals in Agile Projects <i>Alan Koch</i> <i>ASK Process, Inc.</i>		Upsetting Project Managers and Pleasing Project Sponsors: A Practical Approach Using Earned Value to Judge Project Schedule and Budget Compliance <i>Brian M. Waddoups</i> <i>Manager of Quality Assurance</i> <i>Sprint Nextel Corporation</i>	Effective Requirements with Models <i>Dr. Magdy Hanna</i> <i>International Institute for Software Testing</i>	Don't Be a Statistic <i>Raul DeLeon</i> <i>Managing Director</i> <i>Utopia Solutions, Inc.</i>
4:00 - 5:00	Linda Hayes, CTO, Worksoft <u>Creating Agility and Effectiveness in Software Testing: Agile Functional Test Automation</u>				
5:00 - 6:30	Conference Reception				

Tuesday, May 02, 2006

7:00 - 8:00	Registration and Continental Breakfast				
8:00 - 8:15	Opening Remarks by Conference Chair <i>Dr. Magdy Hanna, International Institute for Software Testing</i>				
8:15 - 9:15	Keynote: Michael Fagan, CEO, Michael Fagan Associates <u>Find More Defects: Using Inspections and the Fagan Defect-Free Process™</u>				
	Advanced Topics	Test Process I	Test Process II	Quality Management	Test Automation
9:30 - 10:30	Source Code Analysis – The Value Proposition <i>Dale Brenneman</i>	FEATURE PRESENTATION <i>How to Make the Definitive Argument For Ship / No Ship</i> <i>Marnie Hutcheson</i> <i>Independent Consultant</i>	Are you agile or are you a Galapagos Tortoise? <i>Judy McKay</i> <i>Independent Consultant</i>	<i>Quality Best Practices for Systems Software: The IBM Systems and Technology Group Best Practices Study</i> <i>Stephen H Kan</i> <i>IBM</i>	FEATURE <i>Linda Hayes, CTO</i> <i>Worksoft, Inc.</i>
	Web Application Security Configuration Primer <i>Heesun Park, Ph.D</i> <i>R&D, Senior Project Manager</i> <i>SAS Institute, Inc.</i>	Can You Find Bugs in Your Pajamas? Becoming an Effective Telecommuting Tester <i>Andy Roth</i> <i>Software Quality Engineer</i> <i>IBM</i>	FEATURE Test Metrics: A Practical Approach to Tracking & Interpretation <i>Shaun Bradshaw</i> <i>Director of Quality Solutions</i> <i>Questcon Technologies</i>	The Formula for Success in System Testing <i>Nathan Petschenik</i> <i>Vice-President</i> <i>Software Testing Services, Inc.</i>	Test Automation Preparedness: Strategies to Maximize Automation Tool ROI <i>David Dang</i> <i>Senior Practice Manager</i> <i>Questcon Technologies</i>
11:45 - 12:30	Visit Exhibit/Vendor Presentations				
12:30 - 1:30	Lunch/Discussion Groups				
1:30 - 2:30	FEATURE Sarbanes-Oxley Act and QA A Marriage of Convenience <i>Dr. Rebecca Staton-Reinstein</i> <i>Advantage Leadership</i>	Simple Test Execution Scheduling, or How I learned to "Excel" <i>Margaret Harris</i> <i>Senior Computer Scientist</i> <i>Computer Sciences Corporation</i>	Optimizing the Contribution of Testing to Project Success <i>Niels Malotaux</i> <i>Project Coach</i> <i>N R Malotaux - Consultancy</i>	Applications of Risk Management <i>Barry Schrimsher</i> <i>Principal,</i> <i>GlenTalon Consulting</i>	
2:45 - 3:45	S-Curves & the Zero Bug Bounce: Plotting Your Way to More Effective Test Management <i>Shaun Bradshaw</i> <i>Director of Quality Solutions</i> <i>Questcon Technologies</i>	FEATURE Twelve-Step Program for a Better Test Process <i>Judy McKay</i> <i>Independent Consultant</i>	Test Techniques to improve the effectiveness of Regression Test <i>Asthana Anurag</i> <i>CDMA System Test Program Manager &</i> <i>Murugayyan K.P Principal</i> <i>Staff Engineer Motorola India</i> <i>Electronics Ltd</i>	Using Metrics to improve Software Engineering Processes <i>Alok Agarwal</i> <i>Software Design Engineer in Test/Lead,</i> <i>Microsoft Corporation,</i>	Generation of Dynamic Automation Code for a Highly Configurable Web Based Application <i>Avinash Magdum</i>
4:00 - 5:00	Closing Keynote: Luda Kopeikina, CEO of Noventra Corporation <u>The Right Decision Every Time: How to Reach Perfect Clarity on Tough Decisions</u>
